

SLOVINSKY

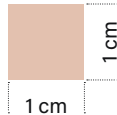

Size guide | Rings

PRINT

Follow the instructions to print the template correctly and to be able to choose the size of your SLOVINSKY ring.

File > Print > Page Scaling > None > OK

Please print the SLOVINSKY Size Guide on an A4 sheet. To check that the Sizing Guide has been printed correctly, measure the square with a ruler. It should measure 1x1 cm.

SIZE DIAGRAM

Place the ring you have chosen as a reference on the circle of the Size Guide until the inside of the ring fits the outside of the circle.

If your measurement is between two sizes, let us know.

**Spanish metric system*
